"Warlingham turn on the Heat!"

Aylesford Bulls - 10pts -v- Warlingham 29pts

With a record 29 degree October temperature in Kent, Warlingham equaled that number by putting 29 points on their hosts, scoring four excellent tries in the process. With two first team props unavailable Warlingham drafted Andrew Moreland and Lawrence Reynolds into the front row. The early signs were ominous when, in the first minutes Aylesford scrum took several yards off the visitors. After a number of re-set scrums put Warlingham on the back foot, and a quick grubber kick gave Aylesford's centre an easy score under the posts which was converted. The Aylesford back line had a difficult time gathering the high kicks and gave away a number of scrums in good positions. Warlingham were in command in all other areas and when centre Ben Wimble chased up a long Mark Kozminski kick the resultant scrum allowed a sharp blindside move which was clinically finished by winger Jack Atkinson. Kozminski added the touchline conversion and followed this with a tramline penalty to put Warlingham ahead at half time.

After the break locks Luke Delderfield and Nick Ray, returning to the Warlingham First XV for the first time this season, took the game to Aylesford and back rowers Zac King and Mike Fair controlled the loose play with aplomb. When Kozminski emerged with the ball from a congested maul he galloped ahead but, with lack of support was unable to unload the ball. However the damage was done and persistent battering of the Aylesford line saw Tom Street score under the posts. Kozminski metronomically added the conversion. Aylesford were now in disarray and when Jon Osborne gathered the ball on the ten metre line he showed his pace and jinked past several defenders for Warlingham's third try. Aylesford then forced their way into the visitors half and were rewarded with a penalty but that was to be the last time they troubled the scoreboard.

Warlingham were clearly the stronger finishers and when replacement James Delderfield splintered the home defence Kozminski put up an up-and-under which was again fumbled by the defenders and Atkinson snapped up the ball and raced in for the bonus point fourth try. Kozminski did the necessary with the conversion. As a result of injuries to Warlingham's front row the scrums were, unfortunately, reduced to uncontested, but Aylesford still took the upper hand and came close to scoring in the closing stages. However, Warlingham's much improved defence was equal and no further scores ensued.

After the game, Warlingham captain, James Agate said, "I was really please how the new guys fitted into the team and to score four tries down here against the powerful Bulls shows we are improving with every game." Warlingham move up to third in the League table with a home fixture against Deal & Bettishanger next Saturday.

Warlingham: Moreland, D Street, Reynolds, Ray, L Delderfield, T Street, King, Fair, Agate, Kozminski, Osborne, McEvoy, Wimble, Atkinson, A Skinner
Subs: Campbell, Murphy, J Delderfield.

From the President

I made the comment last week and it is well worth mentioning again. It was a pleasure to watch the game and made for a great afternoon of rugby. Warlingham 29 - Aylesford Bulls 10.

We seemed to be a little light in the forwards on some occasions but once the ball was amongst the backs we were far the better side and scores looked inevitable. No moan this week about the forwards giving away penalties and I hope this is a permanent improvement.

It would be unfair to pick out any one player for overall performance as it was a great team win. The spirit and camaraderie of the team is evident from the touch line. Again, well done to all.

Next week we are at home against Deal & Betteshanger and I trust that Warlingham will continue with another win.

John Worsfold
President

Referees

Every time the 4th team plays we are short of a referee because their league is outside of the London Society remit and it becomes the responsibility of the home team to provide refs. This is becoming increasingly difficult and I have to beg steel and borrow to ensure the 4ths have a ref. they have 12 home games left. If anyone is qualified or does ref now please contact Paul Anderson in the office to register on our very exclusive list. Thank You

Ladies Night

I am pleased to report that the Ladies Night is now **SOLD OUT!!!!!!** Thank you to everyone who has supported it and hope you all have a good time.
